## Cops and Kids Invitational

In partnership with the Renaissance Knights Chess Foundation, Chicago Police Department, and the Chicago Public Schools hosted the Cops and Kids Invitational on December 08, 2018 at the Chicago Police Department Headquarters. More than 100 students from 25 schools teamed up with nearly 30 Chicago police officers to compete in the Cops & Kids Invitational Chess Tournament as part of the Cops and Kids program designed to improve chess skills and boost positive relationships between youth and law enforcement.

In addition to the friendly competition, participants learned more about the origin of the program from 19th District Commander, Marc Buslik. The event concluded with the announcement of team awards and a massive group photo. The defeated teams vowed to best Saturday's winners at the Cops and Kids Culminating Event in May 2019 at Guaranteed Rate Field.
